#### Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the "r" disease from the system. It is a cure all but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at W. T. Brooks'. Get Green's Special Almanac.

### Children's Fertilizer.

That's a good name for Scott's Emulsion. Children are like young plants. Some will grow in ordinary soil. Others need fertilizers.

The nature of some children prevents them from thriving on ordinary food. Such children grow right if treated right.

All they need is a little fertilizer—a little extra richness. Scott's Emulsion is the right treatment.

Fertilizers make things grow. That's just what Scott's Emulsion does. It makes children grow in flesh, grow in strength, grow rich blood, grow in mind, grow happy. That's what we make it for.

## SCROFULA

I bequeath to my children Scrofula with all its attendant horrors, humiliation and suffering. This is a strange legacy to leave to posterity; a heavy burden to place upon the shoulders of the young.

This treacherous disease dwells in the blood and hinders the growth and development of the faculties, and the child born of blood poison, or scrofula-tainted parentage, is poorly equipped for life's duties.

Scrofula is a disease with numerous and varied symptoms; enlarged glands or tumors about the neck and armpits, catarrh of the head, weak eyes and dreadful skin eruptions upon different parts of the body show the presence of tubercular or scrofulous matter in the blood. This dangerous and stealthy disease entrenches itself securely in the system and attacks the bones and tissues, destroys the red corpuscles of the blood, resulting in white swelling, a pallid, waxy appearance of the skin; loss of strength and a gradual wasting away of the body.

S. S. S. combines both purifying and tonic properties, and is guaranteed entirely vegetable, making it the ideal remedy in all scrofulous affections. It purifies the deteriorated blood, makes it rich and strong and a complete and permanent cure is soon effected. S. S. S. improves the digestion and assimilation of food, restores the color to the skin and vigor to the weak and emaciated body.

Write us about your case and our physicians will cheerfully advise and help you in every possible way to regain your health. Book on blood and skin diseases free.

#### Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at W. T. Brooks'. #### A WORTHY SUCCESSOR.

"Something New Under The Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and is also wonderfully quick to relieve HAY FEVER or COLD IN THE HEAD.

CATARRH when neglected often leads to CONSUMPTION — "SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" and "GUARANTEED CATARRH CURE."

#### Quaint, Queer and Curious Salt Lake City.

The late Col. John Cockerel, in The Cosmopolitan said, "There are three unique cities in America, and one of these is Salt Lake City." It is not only unique in its temple, tabernacle and other Mormon church institutions, but quaint in appearance, with its wide streets, immense blocks and martial rows of shade trees. It has, perhaps, more attractions to the square yard than any city in the country, and its climate, while temperate all the year round, is particularly delightful in Summer. The Great Salt Lake, with its magnificent Saltair resort, where the water is "deader and denser" than that in the Dead Sea in Palestine, is an attraction in itself that people come miles to see. There are many cool mountain and lake resorts near by, also numerous very pretty canon and park drives, and hot sulphur springs. Fishing and hunting are had in every direction. The trip from Denver to Salt Lake City and Ogden, via the Denver & Rio Grande and the Rio Grande Western, is one of unsurpassed pleasure. Here nature is found in her sternest mood and the whole line is a succession of rugged canyons, waterfalls and picturesque valleys. No European trip can compare with it in grandeur of scenery. During the entire Summer there will be low excursion rates to Salt Lake City and contiguous country. It is on the Pacific coast, if that be your destination. Write S. K. Hooper, G. P. & T. A., Denver, Col., for beautifully illustrated pamphlets, etc.
